Books Courses Coaching and Other Offerings

Descriptions of books, courses, coaching, events, or other offerings are provided for general information. Availability, content, instructors, schedules, format, and pricing may change.

A purchase, registration, or participation may be governed by additional terms presented at the time of purchase or enrollment, including payment, cancellation, refund, participation, confidentiality, and conduct policies. If additional terms conflict with these Terms regarding a specific offering, the more specific terms will control for that offering.

Books or services purchased through third-party retailers, payment processors, booking services, or other external providers are also subject to those providers' terms and policies.

No Guaranteed Results

Personal-development and educational outcomes vary. Archedomi does not promise or guarantee a particular emotional, spiritual, relational, financial, professional, medical, or other result from using the website or participating in any offering.

Testimonials or descriptions of individual experiences, if presented, reflect personal experiences and do not guarantee that another person will receive the same result.

Third Party Links and Services

The website may link to booksellers, payment processors, scheduling services, social platforms, or other third-party websites and services. Links are provided for convenience and do not necessarily constitute endorsement.

Archedomi does not control and is not responsible for the availability, content, privacy practices, security, products, services, or conduct of third parties. Your use of an external website or service is governed by its own terms and policies.

Website Availability and Changes

Archedomi may update, suspend, restrict, or discontinue any part of the website at any time. Archedomi does not guarantee that the website will always be available, uninterrupted, secure, current, or free from errors or harmful components.

Disclaimer of Warranties

To the fullest extent permitted by law, the website and its content are provided on an as-is and as-available basis without warranties of any kind, express or implied. Archedomi disclaims implied warranties of merchantability, fitness for a particular purpose, title, and noninfringement to the extent those warranties may lawfully be disclaimed.

Archedomi does not warrant that website content is complete, error-free, suitable for every person, or appropriate for every situation. Nothing in these Terms excludes a warranty or right that cannot lawfully be excluded.

Limitation of Liability

To the fullest extent permitted by law, Archedomi and its owners, contributors, instructors, contractors, and service providers will not be liable for indirect, incidental, special, consequential, exemplary, or punitive damages, or for loss of data, profits, opportunities, goodwill, or business interruption arising from or related to use of, or inability to use, the website or its content.

These limitations do not apply to liability that cannot lawfully be limited or excluded. Nothing in these Terms limits responsibility for fraud, willful misconduct, gross negligence, or other liability that applicable law does not permit a party to disclaim.

Privacy

Use of the website is also subject to the Archedomi Privacy Policy, which explains how information may be collected, used, stored, and protected. The Privacy Policy should be read together with these Terms.

Copyright Concerns

If you believe material on the website infringes a copyright or other intellectual-property right, contact Archedomi with a description of the protected work, the material at issue, its location on the website, your contact information, and a statement explaining the basis of your concern.

Governing Law

These Terms are governed by the laws of the State of Washington, without regard to conflict-of-law principles, except where another jurisdiction's law must apply. Any dispute that is not resolved informally will be brought in a court of competent jurisdiction in Washington, unless applicable law requires otherwise.

Severability and Waiver

If a provision of these Terms is found unenforceable, it will be modified only to the minimum extent necessary or severed, and the remaining provisions will continue in effect. A failure to enforce a provision does not waive the right to enforce it later.

Entire Agreement

These Terms, the Privacy Policy, and any additional terms presented for a specific purchase, course, event, or service constitute the agreement between you and Archedomi concerning the applicable use or transaction. They replace prior statements concerning that subject to the extent those statements conflict with these Terms.

Changes to These Terms

Archedomi may update these Terms when the website, offerings, business practices, or legal requirements change. Updated Terms will be posted on this page with a revised effective date. Your continued use of the website after updated Terms take effect constitutes acceptance to the extent permitted by law.
